

Rainow 5 Fell Race 2019

Another fantastic evening fell race... big thanks to everyone who helped out on the night! This year we had 201 runners, with a great contingent of Macclesfield Harriers (44) and 39 "visitors" from Chorlton as well as lots of other club runners and unattached runners. The lead runner home was Peter Bray (Chorlton) in 32 minutes 15 sections. A welcome back to racing in a while for our first lady home – Olivia Walwyn (Macclesfield) in 38 minutes 36 seconds. The Chorlton runners gave all their runners a good cheer at the finish line – as well as scooping the men's team prize. Macclesfield Harriers ladies claimed the ladies team prize. There was a great pose-race atmosphere with an amazing array of supply of cakes from the Rainow Pre-School Patents! The race and sale of refreshments raised £1,000, which has been donated to the following local charities: Rainow Village Institute, Rainow Pre-School and Buxton Mountain Rescue (our local mountain rescue team).
