Macclesfield Harriers Fell and Trail Running Club Championships 2022

We have three different championships, The Peaks Trail Series (PTS), High Fell Series (HFS) and Summer Midweek Series (SMS). Each will have a male and female winner and offers a different set of challenges to provide something for everyone. The High Fell Series has some tough races, but there are also more accessible fell races to help build confidence and experience for relative newcomers and encourage them into new territories. In 2022 much of the HFS is based around the Pete Bland Lakes Grand Prix series. The Peaks Trail Series are predominantly shorter local races with less climb and courses that are often marked or well marshalled – with two races outside of the local area in 2022. We also have the Barry Blyth Club Enthusiast Award for the most races entered across all championships. In the event of a tie the individual with the biggest improvement will be awarded.
