# Macclesfield Harriers Fell and Trail Running Club Championships 2025

We have three different championships; High Fell Series (HFS), The Peaks Trail Series (PTS) and Summer Midweek Series (SMS). Each will have a male and female winner and offers a different set of challenges to provide something for everyone.

The High Fell Series has some tough races, but there are also more accessible races included to help build confidence and experience and encourage people to try new challenges.

The Peaks Trail Series is a mix of shorter local races with less climb and courses that are often marked or well marshalled, with several longer, but generally navigable trail.

The Summer Evening Series are midweek races close to Macclesfield that are generally short and marked. **Series tbc end of March**

We also have the Barry Blyth Club Enthusiast Award for the most races entered across all championships. In the event of a tie the individual with the biggest improvement will be awarded.

Finally, the Ken Hall Open Handicap trophy is awarded to the best runner over the three series' (two races required in each series to count). \*(EOD = enter on day)
